

AMENDMENTS TO THE CLAIMS

1. (original) A method for providing an image on an organic product, the method comprising the steps for:

creating an image on a transfer medium; and
transferring the image onto an organic product.

2. (original) The method as recited in claim 1, wherein the step for creating an image comprises the steps for:

creating a first image on a cliché;
applying ink to the cliché; and
lifting at least a portion of the ink from the cliché to form a second image, wherein the second image is the image created on the transfer medium.

3. (original) A method as recited in claim 2, wherein the step for lifting comprises the steps for:

placing the transfer medium in contact with the cliché; and
removing the transfer medium from the cliché.

4. (original) A method as recited in claim 2, wherein the step for creating further comprises the step for removing excess ink applied to the cliché.

5. (original) A method as recited in claim 2, wherein the step for creating a first image comprises the step for etching the first image into the cliché.

6. (original) A method as recited in claim 5, wherein the cliché comprises a photosensitive material.

7. (original) A method as recited in claim 6, wherein step for etching comprises the steps for:

providing a third image;

creating a film positive of the third image; and

exposing the photosensitive material through a wash out process to etch the third image into the photosensitive material.

8. (original) A method as recited in claim 1, further comprising the step for allowing the transferred image to set.

9. (original) A method as recited in claim 1, wherein the organic product comprises at least a portion of:

(i) a flower;

(ii) a fruit; or

(iii) a plant.
